BASIC REPORTING PROGRAM

25X1A

Messrs. Allen and [ ] met with [ ] IRS, on 8 January to discuss the extent of IAS participation in the basic reporting program. The position taken was that reported in Production Board Minutes of 15 December 1972. [ ] was satisfied with this.

25X1A

25X1A

Mr. Allen will draft a memo to [ ] Chief, IRS, explaining IAS' position.

25X1A

PRELIMINARY ASSESSMENT

25X1A

[ ] reported film delivery dates and indicated the preliminary assessment will be done on Tuesday morning.

X-Y'S IN GRAPHIC REQUESTS

25X1A

The PSS people continue to check X-Y errors in Langley requests for graphics. Since [ ] last report, there was a low percentage of errors in requests received. He will continue to monitor these requests.

EXECUTIVE MAG CARD TYPEWRITERS

Proposal to replace present Mag card typewriters with executive machines was forwarded to DDI Planning Staff for approval. Delivery of the machines should be within three months after the order is submitted to IBM.

DDP REPORT EVALUATION

25X1A

[ ] reported a good response from the divisions on the evaluations of CS reports. He has drafted a response to DDP, summarizing the results following the established procedures, for the CS reports reviewed during the December-January period.

240 LIGHT TABLES

25X1A

[ ] announced that those tables recently received in the building did not pass initial checkout. There may be a delay, therefore, before delivery is made to IAS.

RECORDING ASSESSMENT/ASSIMILATION TIME

25X1A

[ ] noted that the time spent on the assessment and assimilation of SR-71 photography is being recorded separately from that spent on other aircraft systems photography. This reporting method causes problems. He therefore suggested IAS consider keeping all aircraft mission

IAS FILES

25X1A

In this year's Five-Year Plan the DDI has listed as an objective the requirement that all offices reduce their files by ten percent. For IAS to identify ways to reduce its files, we need types of information that presently are not available from the annual survey done by Records Management personnel. [redacted] suggested that our annual survey be modified to include these new types of information.

25X1A  
25X1C

[redacted] is to work with the IAS Records Management Officer and the Special Assistant to identify exactly what types of additional information will be needed and how IAS might best reduce its present volume of files.

25X1A  
25X1CLUNCHEON

[redacted] requested IAS consider establishing a policy concerning payment for luncheons of [redacted]. After a short discussion the Acting Director approved payment on a case by case basis. The Chief, Administrative Staff, will provide the funds but he must have list of participants and a receipt.

25X1A

[redacted] proposed to the Chairman, Professional Development Panel, that the DDI seek two additional slots in order to accommodate each of the operational components of the DDI.

25X1A

EQUIPMENT FUNDS FOR FY 73

Members were advised that the IAS funds for equipment must be obligated by March. Members must present their justified needs to [redacted] by then if they want their requests to receive consideration for purchase during this fiscal year.

25X1A

TRANSFER TO FMSAC

[redacted] request for transfer has been endorsed by IAS and forwarded to FMSAC.
